

PROGRESSIVE RESISTANCE

Automatically adjusts resistance from 10lbs up to 200lbs, based on pulling speed and intensity

HAND-MADE BRAIDED ROPE

GET A GRIP on our durable and pliable, polyester-weaved rope. Soft on hands and easy-to-clean. Available in black or burgundy-black colors

OUTDOOR IP64 RATING

Safe alternative to traditional rope climbing. Ideal for outdoor applications where weather is a concern

VERSATILE CONFIGURATIONS

Can be installed directly onto concrete slab without base frame. This configuration allows wheelchair accessibility and ADA compliance

OUTDOOR HEAD COVER **MUST-HAVE**

Get extra protection from the elements for the rope and drum with an RXC1 cover. Slide it over the drum, tuck the rope inside, and use the strings of the cover to fasten around the upright post; it's that simple. Perfect add-on for outdoor applications in any environment **ADD-ON**
